1  **Simon** has recently left school and is looking for a job until he goes to university in September. He doesn't mind what he has to do. He'd like to save as much

as possible for his studies. He can drive and he speaks good French. He is friendly and outgoing.

2  **Claire** has just graduated and is looking for work. She studied economics at university and would prefer a job where she can use her knowledge from university. She is hard-working but

quite shy. Claire has never worked before. She is very good with computers and has also written a number of short stories.

3  **Ed** has just left his job. He worked in the office of a transport company for three years. He didn't enjoy the job and is looking for a change. Before that he taught English for

two years and also wrote articles for different magazines. He is open to new challenges and doesn't mind travelling.
